Student club to hold
computer clinic

Have problems with your computer? Need it to speed up?

Gateway Technical College's student chapter of the Association of Information Technology Professionals will hold a computer clinic 8 a.m. to 11 a.m. Nov. 16 in the Michigan Room R113 of the Racine Building on Gateway's Racine Campus, 901 Lake Ave.

Computer drop-off is at 8 a.m. until 11 a.m., and computer pickup is noon to 1 p.m.

There is a two-computer limit per person, and attendees should not bring the mouse, keyboard or monitor. Those bringing laptop computers should bring their own power supply.

The clinic is a fundraiser for the student club. Participants are encouraged to contribute $20 for each computer worked on.

Room 113 can be accessed through the eastern entrance to the Racine Building next to the northeast parking lot of the campus.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to
ensure economic growth and viability by providing education, training, leadership and technological resources
to meet the changing needs of students, employers and communities.
